

SOUTH YORKSHIRE INDUSTRIAL HISTORY SOCIETY

2024-2025 Programme

The Society's lecture programme has been held for many years at the Kelham Island Museum situated off Alma Street, Sheffield S3 8RY, where there is on-site parking and lift access to the lecture room. For the 2024-25 season we have been faced with a significant increase in the cost of room hire which has resulted in having to look for alternative arrangements to save costs. For convenience we have still used Kelham Island if we can. Some details have not yet been finalised but please make a note of the dates. Feedback on the changed arrangements would be welcome. Please contact the Secretary Margaret Tylee (tel 0114 283 0056, 077024609011; email margarettylee12@yahoo.co.uk) for further information.
